

MEDIA REGULATIONS

1. Journalists, photographers, and cameramen, among others, while accredited MEDIA elements for the competition or the inherent infrastructure in the **European Throwing Cup (ETC 2024)** will only be granted prior approval and accreditation by those responsible for the organisation (LOC);
2. Accredited MEDIA people should respect fully and steadily the indications from the responsible for organizing the ETC 2024, security, law enforcement officers and referees responsible for the regulation and validation of the competition, under the security plan and the **Medical Clearance and Sanitary Protocol** defined by these entities;
3. Accredited MEDIA people will have to use the MEDIA vest (provided by the LOC), being allowed to stay in the areas forbidden to the general public, under their own responsibility, in accordance with the term of responsibility dully signed by them. Still, the indications from the responsible staff for organizing the ETC 2024, security, law enforcement officers and judges responsible for the regulation and validation of competition should be fully respected at any time;
4. Accredited MEDIA people without MEDIA vest are not allowed to stay in the areas forbidden to the general public. Failure to comply with this rule will void the accreditation;
5. Accredited MEDIA people should adequate their actions, at the moment of the events, according to the safety standards. Their security in the throwing areas just depends on themselves;
6. Accredited MEDIA people without MEDIA vest are not allowed to stay in the areas. forbidden to the general public. Failure to comply with this rule will void the accreditation;
7. Accredited MEDIA people should adequate their actions, at the moment of the events, according to the safety standards. Their security in the throwing areas just depends on themselves;
8. The LOC will supply Media people with information on the sites not allowed to take pictures in, at the accreditation moment.

Cumulatively to the items above and still resulting from this Regulation - to the particular attention of the Accredited MEDIA people:

1. Do not to remain close to emergency vehicles, ambulances, or commissioners, since they may start their march without notice;
2. Choose the safest location to capture pictures. Keep yourself prepared for unexpected situations. Do not ride in the throwing areas, as well as near the landing zones;
3. Do not circulate near the throws landing areas at any time;
4. If you need to review the result of your work (photos, videos, etc.) please do not do it near the areas of greatest risk (implements landing areas). Choose a safe place;
5. Do not cross the delimited event-designated areas;
6. In case of any doubt please report to the TIC;
7. Your signature on the disclaimer - at the time of accreditation - confirms that you took full knowledge of the Media Safety Rules, assuming full responsibility for your actions and behaviour;
8. The non-respect for any of the Media Regulation points above may be enough reason for cancellation of accreditation.
